

# College/ Young Adult Orthodox Opportunities

## What can I do?

Become involved in the best way for you! Give of your time and talents at your local parish, your “adoptive” parish while at school, or on a national level.

If you have any ideas about what the church can do for you, please contact us and let us know your thoughts.

The best way to utilize your talents is to try and live a Christian life each and every day.

## OCF— Orthodox Christian Fellowship

These dynamic organizations help you keep in touch with your faith and to meet other Orthodox college students. This is a great way to make friends that can assist you with the college experience, get involved in college life, and stay connected to your faith.

Each on campus OCF is unique and conducts its endeavors differently. Some of the services OCF provides are: *Bible studies/discussion groups about Orthodoxy and/or College life in general, Fellowships such as free weekly dinners, ski trips or movie nights, and weekly services on campus or provide transportation to local Orthodox churches for services.* OCF also sponsors three national College Conferences in December of each year and alternative traveling service opportunities during your spring break called Real Break. OCF sponsors many additional national programs.

You can investigate if your college campus hosts an OCF by checking out [www.ocf.net](http://www.ocf.net)
